

NDARC Postgraduate Research Scholarships Application Form for Funding Commencing Semester 2, 2015

Medicine

National Drug and Alcohol Research Centre

1. Applicant Details

1.1 Personal Details

Title	
Given Name	
Initial	
Family Name	
Date of Birth	
Gender	
Mobile Number	
Email	
Citizenship	

1.2 Postal Details

Line 1	
Line 2	
Line 3	
Suburb / Town	
State	
Postcode	
Country	

2. Education Records

2.1 Detail Undergraduate Performance

Attach academic transcript (Max. 3,000 characters.)

--

2.2 Prizes and Awards

List medals and any awards. (Max. 3,000 characters)

--

2.3 Additional Qualifications

e.g. B.MedSci or MPH. (Where the applicant has completed an additional degree they should indicate the thesis title and the total amount of research experience gained during the degree) (Max. 3,000 characters)

--

2.4 Previous Research Experience

Applicants should list other research experience including full or part-time research. Include the total amount of research experience. (Max. 3,000 characters)

--

3. Employment / Career Records

3.1 Career Chronology From Beginning of Tertiary Studies

Please provide a summary of complete career chronology from beginning of tertiary studies: Include the year, indicate full or part-time (using F/T or P/T), location (Australia or Overseas), Institution and all periods of employment and courses of training or study.

	Year	F/T or P/T	Location	Institution	Employment or Study
e.g.	2007	F/T	Australia	UNSW	PhD Commenced

10					

3.2 Publications

Submit as Attachment

List only those items that have been accepted for publication or published and books that have been published or are in press.

- Refereed journal article
- Review
- Book
- Chapter
- Any other publication e.g. letter/note, un-refereed journal article, other contribution to a journal, technical reports, commissioned reports etc
- Conference papers or abstracts
- Patents

Include the impact factor for all relevant publications.

3.3 Research Proposal

Submit as Attachment in required format –Instructions on p.3

Research Project, Aims, Significance, Background and References

The proposed research program, including references, should not exceed 10,000 characters. The proposal should be made up of Aims, Background, Proposed Research Program, a statement concerning the significance of the proposal and References (a few critical references only – journal references, no titles).

Note – If pictures or graphs are included, the maximum page limit in total should be no more than 2.

Instructions on the format of the Research attachment (The following formatting requirements must be adhered to)

File Name -When saving the document, ensure the file is named by NDARCPHD_Surname (e.g. NDARCPHD_Smith)

Margins - All margins at least 2cm.

Font - Must be Times New Roman and at least 12 point.

Graphics - Colour images and diagrams are permitted, however, you should keep in mind that the electronic file may be printed and photocopied in black and white for distribution to the reviewing panel and there may be some loss of definition in the images.

Labelling Graphs and Images - Labelling of axes of graphs and labelling of parts of images may be in a reduced font. However, the description and/or legends of all graphs and images must comply with the guidelines set out under the heading of 'Formatting of the PDF file'.

Tables - Tabulated information containing text is not considered to be an image or diagram. Text within tables must comply with the guidelines set out under the heading of 'Formatting of the PDF file'.

Line spacing - Must be set to single.

Character spacing - Spacing must be set to normal. Scale must be set to 100%.

4. References

Provide the names and contact details of your proposed supervisor and independent referee who will comment on your research contributions and potential as a researcher.

4.1 Proposed Supervisor
