Participating researchers and research centres

The National Drug and Alcohol Research Centre (NDARC), UNSW Australia, coordinated the IDRS. The following researchers and research institutions contributed to IDRS 2020:

- Antonia Karlsson, Julia Uporova, Daisy Gibbs, Rosie Swanton, Olivia Price, Roanna Chan, Professor Louisa Degenhardt, Professor Michael Farrell and Dr Amy Peacock, National Drug and Alcohol Research Centre, University of New South Wales, New South Wales;
- Cristal Hall, Sophie Cameron Krepp, Sarah Eddy, Dr Campbell Aitken and Professor Paul Dietze, Burnet Institute, Victoria;
- Yalei Wilson and Associate Professor Raimondo Bruno, School of Psychology, University of Tasmania, Tasmania;
- Dr Seraina Agramunt and Professor Simon Lenton, National Drug Research Institute, Curtin University, Western Australia;
- Chris Moon, Northern Territory Department of Health, Northern Territory; and
- Catherine Daly, Dr Natalie Thomas, Dr Jennifer Juckel, and Dr Caroline Salom, Institute for Social Science Research, The University of Queensland, Queensland.

Other acknowledgements

We would like to thank all the participants who were interviewed for the IDRS in the present and in previous years, the agencies that assisted with recruitment, as well as the Australian Government for the funding. We would also like to acknowledge Yalei Wilson and Lotus Ye for their contributions.
