1:30 – 1:45pm  Over-the-counter naloxone supply: Are community pharmacists ready?  
Dr Suzanne Nielsen

1:45 – 2:00pm  Can police deter drug use and supply at music festivals?  
Dr Caitlin Hughes

2:00 – 2:15pm  Drug checking to improve monitoring of new psychoactive substances in Australia  
Dr Monica Barratt
## Breakout Sessions

### Breakout One: Issues in Adolescence
Cohort effects as predictors of transition between alcohol and cannabis use stages; Prevention, early intervention, harm reduction and treatment of substance use in young people; A longitudinal study of alcohol initiation and progression to risky drinking

*Dr Luise Lago, Dr Emily Stockings, Alexandra Aiken*

### Breakout Two: Treatment for methamphetamine, cannabis, and comorbid anxiety
Methamphetamine psychosis and the clinical-research interface; Comparison of brief versus extended feedback in an online intervention for cannabis users RCT; Does Comorbid Social Anxiety Moderate Treatment Outcomes for Depressed Substance Users

*Dr Julia Lappin, Professor Jan Copeland, Katrina Prior*

### Breakout Three: School-based prevention
Effectiveness of an online-based prevention program for ecstasy and new psychoactive substances: Two-year outcomes from a cluster randomised controlled trial; Positive Choices: Evaluation of a drug and alcohol prevention initiative for school communities; The Climate Schools Combined (CSC) Study: Internet-based prevention for anxiety, depression and substance use in young people

*Dr Katrina Champion, Siobhan Lawler, Dr Cath Chapman*

### Breakout Four: Comorbidity Guidelines Workshop
A workshop on the recently revised Department of Health funded Guidelines on the management of co-occurring alcohol and other drug and mental health conditions in alcohol and other drug treatment settings

*Dr Christina Marel, Associate Professor Katherine Mills*

### 3:15 – 3:45pm
**Afternoon Tea**

### 3:45 – 4:30pm
**Panel Discussion:**
**Findings from 2016 Drug Trends**

### 4:30 – 4:35pm
Poster prize and People’s Choice winners announced

### 4:35 – 4:45pm
**Closing Remarks**

*Professor Michael Farrell*

---

*Five minute poster presentations*

### Dr Kamran Afzali
Understanding symptom comorbidity between Alcohol Use Disorder and Posttraumatic Stress Disorder: Application of a novel symptom network approach

### Zahra Alam-mehrjerdi
Brief cognitive-behavioural therapy for methamphetamine use disorder among opiate-dependent women in methadone treatment: A randomised controlled trial

### Kerryn Butler
Expanding HCV testing in general practice for people who inject drugs

### Doug James
Examining Indigenous drug and alcohol residential rehabilitation services in Australia and internationally: What does the published literature tell us?

### Matthew O’Reilly
Supply changes in Australia’s ecstasy market 2002-2014: A re-emerging market?
